Virtual Resolution is an award winning CGI and animation studio working both nationally and internationally.

We are a team of like-minded artists whose skills and passions complement each other to produce a good balance of business sense and technical ability, with client service always at the forefront of everything we do.

3

RESIDENTIAL //

Our **architecturally-trained team** offer a rare mix of architectural, technical, interior and graphical expertise. This gives us a unique understanding of the building form that set us apart from other graphic artists.

CLIENTS.

Working alongside development agencies, architects, interior and graphic designers, PR agencies, advertisers, developers and land agents, **we share our passion** to create intelligent, inventive, fun and intuitive imagery.

Our client list includes big names such as Starwood Capital, MEPC, McCarthy & Stone, Bancon Homes, Dandara, other high profile hotel groups around the world, and numerous local authorities and education providers. We are proud to be the chosen 3D visualisation specialists for projects across the UK and beyond.
